CORNERSTONE VNA
HOME • HEALTH • HOSPICE

Jane Cooper Fall created Lights of Love in 1986 as a way to pay tribute to the people who have had a special impact in our lives.

About our 2024 special tributes:

In memory of Lorraine Meyer: For more than 50 years, Lorraine inspired philanthropy and investing in the community, passionately working for the betterment of others and improvement of everyone's quality of life. She was a Cornerstone VNA Hospice volunteer for many years, providing comfort to patients as well as support to their families and caregivers. Lorraine went above and beyond expectations, sharing her time as a board member, organizing fundraisers, and serving on numerous committees.

In memory of David Brian Brodeur, Sr.: David served in the US Navy as a hospital corpsman and optician before he went on to graduate from Rivier College in 1999 with a Bachelor's Degree in nursing. David served many patients in a variety of nursing roles, including immunization education, care of our nation's veterans, and in-home health care at Cornerstone VNA. He was always putting patient care and patient self-advocacy first.

In memory of Betty John: Betty worked at Cornerstone VNA for many years in a variety of positions, but most recently as a Homemaker in the Life Care - Private Duty Department. She was also proud to give back to Cornerstone VNA as a Companion Volunteer, Caregiver Café facilitator, and donor. Betty was always there to help when needed. She was a very kind soul, and she touched many people with her compassion and smile.

In memory of Ralph Torr: Ralph served in the Korean War as a member of the Air Force Air Rescue Squadron. He was highly decorated for his service during the war and serving our country was an immense source of pride. Upon returning from the war, he married Pauline Perron, the joy of his life. Ralph became a pioneer in mobile home building in the Rochester area. He was a long-time member of the NH House and Rochester City Council, and he was dedicated to moving things ahead in a responsible manner. Ralph loved animals of all kinds and caring for them gave him much joy, as did spending time with his family.

In memory of Dawn M. Nester: Dawn dedicated 43 years to the Internal Revenue Service (IRS), rising through the ranks to conclude her career as a Program Analyst in the Commissioner's Office. Following her retirement in 2017, Dawn became deeply involved in her community. She volunteered at the front office of First United Methodist Church (FUMC), contributed to various projects, served on committees, and provided support wherever needed. A woman of strong faith, Dawn was profoundly devoted to her church and cherished her beloved daughter and son-in-law.

In memory of Marjorie A. Neely: Marjorie was a dedicated educator who inspired countless students with her passion for learning. A member of the FUMC, she was also active in the Daughters of the American Revolution, Mary Torr Chapter. Marjorie embraced community life and cherished time with her family, especially her grandchildren, who were her greatest joy. A talented cook and hostess, she loved tending her flower gardens, feeding birds, and traveling—whether camping with her late husband Bob, exploring Europe, or enjoying country drives.

The Advent Candle

Tonight we are lighting a candle
A candle to burn until
You come to bring light to darkness
And warm us with good will

Tonight in the sky there's a star
We've never seen before
A star to lighten our darkness
And bring us to your door

Tonight there's a window inside us
A window you'll open wide
We are lighting a candle to guide us
Soon we'll be by your side
We are lighting a candle to guide us
Soon we'll be by your side
