Cornerstone VNA is your local nonprofit organization  
serving communities in NH & ME

## Home Care

We offer specialized services and support for our patients, wherever they call home. We have Skilled Nurses, Licensed Nursing Assistants, Rehabilitation Therapists (PT, OT, ST) and Medical Social Workers. We also offer remote Telehealth monitoring for high-risk patients.

### Specialized Care and Support

- Certified Wound Care
- Certified Ostomy Care
- Certified Intravenous Therapy
- Certified Chronic Care Management
- Certified Lee Silverman Voice Treatment
- Certified Lymphedema Specialists
- Certified Vestibular Specialists
- Fall Prevention/Balance Therapies
- Specialized Mental Health Team
- Mental Health First Aid Trained Staff
- Alzheimer's Trained Staff
- Telehealth
- Pediatric Care

## Hospice Care

Hospice provides compassionate care for people with a life-limiting illness. We provide physical, emotional, and spiritual comfort to patients, family members, and caregivers. Our highly skilled team, including a Physician, Nurse Practitioners, Certified Hospice Nurses and LNAs, Spiritual Care Providers, and Social Workers, will develop an individualized plan of care that promotes quality of life and comfort at end of life.

### Specialized Care and Support

- Expert Pain & Symptom Management
- Family/Caregiver Support
- Advance Directives
- Bereavement Counseling
- Grief Support Groups
- Hospice Volunteers
- Pet Peace of Mind Volunteers
- We Honor Veterans Partner (Level 5)
- Reiki Services and Essential Oils

**Intake/Referrals (On call 24/7)**

**Phone: 603-332-1133**

**Fax: 877-234-9902**

## Palliative Care

Palliative care is specialized medical care for those living with a serious illness with the goal of improving the quality of life for the individual and family. Our team includes nurse practitioners (APRNs) who are experienced in supporting individuals with progressive, life-limiting diseases, and can provide recommendations, medical management of symptoms or assist patients and families in navigating goals of care.

### Specialized Care and Support

- Care Coordination
- Expert Pain & Symptom Management
- Advance Care Planning
- Family & Caregiver Support

## Life Care - Private Duty

A private duty program for people who wish to age in place or need support after a surgery, accident or illness. Life Care provides personal care and homemaking services to help individuals live in their home and community safely, independently and comfortably. An individualized, flexible plan will address short-term or long-term health needs.

### Specialized Care and Support

- Alzheimer's and Dementia Care
- Personal Care & Support Care
- Homemaking (*errands, meal preparation, light housekeeping*)
- Medication Reminders
- Respite Care

## Community Care

As a nonprofit, Cornerstone VNA is deeply committed to the community and offers a full scope of programs, clinics and services. Our Community Care Team includes a Certified Health Coach and Nurses, who provide free educational programs and services throughout our service area, including caregiver support programs.

### Specialized Care and Support

- Certified Health Coach
- Health Screenings: Blood Pressure, Weight, Cholesterol, Blood Sugar Checks, Foot Care
- Medication Counseling
- Diet and Nutrition Counseling
- Advance Directives
- Mental Health Support
- Caregiver Support Groups
- Veteran Support Groups
